

## Workshops and Seminars

---

### < Science Festa >

Quantum Beam Science Festa FY2017

- March 2-4, 2018
- Mito, Ibaraki

### < Workshop >

The 14th Hydrogen Quantum Atomics Workshop

- December 8-9, 2017
- Tsukuba Campus, KEK

Workshop "Novel physics in high-temperature superconductors and the related materials"

- January 31-February 1, 2018
- Institute for Materials Research, Tohoku University

CMRC Workshop "Shock compression experiments at SACLA and PF-AR"

- March 22-23, 2018
- Suita Campus, Osaka University
