

**Curriculum Vitae**  
Jiyong Zhao

**Current Position:** Group Leader of Inelastic X-ray & Nuclear Resonant Scattering (IXN) group and Physicist, Advanced Photon Source, Argonne National Laboratory

**Work experience:**

1999-now, Physicist, Advanced Photon Source, Argonne National Laboratory

1998 - 1999 Post-doctoral research Scientist, Department of Material Science and Engineering State University of New York at Stony Brook

**Education:**

1996-1998 JSPS Post-doctoral research fellow, Institute of Materials Structure Science, KEK, Japan, working on SR nuclear resonant scattering development.

1993-1996: Ph.D., The Graduate University for Advanced Studies (GUAS), High Energy Accelerator Research Organization (KEK), Oho 1-1, Tsukuba, Ibaraki, Japan.
