### Flow of medical treatment in Japan 日本での医療機関への掛かり方

#### Introduction はじめに:

University hospitals and large hospitals may require a letter of referral or charge a high initial consultation fee, so if it is not urgent or serious, or if you know the department to be examined, the first visit is often to a clinic.

大学病院や大きな病院は、紹介状が必要だったり高額な初診料がかかる場合があるため、緊急・重篤でない場合や、 診てもらう科が分かっている時は、初診はクリニックへ掛かることが多いです。

#### Before going to the clinic クリニックへ行く前に:

- ・Check online and by phone for hours and reservation requirements.インターネットと電話で時間や予約 の要否を確認しましょう。
- ·Bring any medications you use.使用している薬があれば持参しましょう。

・Prepare cash! Many clinics do not accept credit cards.現金を用意しましょう!クレジットカードの使用ができ ないクリニックが多いです。

・Many clinics ask you to wear a mask, so bring one with you.マスクの着用をお願いしている医院が多いの で持参しましょう。

### Do you have health insurance? 健康保険に入っていますか?:

Have a Japanese health insurance card. 健康保険証を持っている long-term users ONLY

→ The co-payment will be 30%. Be sure to bring your insurance card.自己負担額は3割となります。必ず 持参しましょう。

→ Some larger hospitals may offer insurance coverage, but many do not. If you need to pay the full amount and submit the receipt to your insurance company later in your own country, keep the receipt safe. Please check the conditions of insurance coverage thoroughly by yourself.大きな病院では 保険の適用をしている場合がありますが、対応していない病院が多いです。一旦全額を支払い自国で保険会社に領収書を提 出する場合は、領収書を大切に保管しましょう。保険適用の条件についてはご自身で十分にご確認ください。

### During medical consultation and Payment 診察中とお支払い: Please read carefully.

**<Communication>**If you have any information you would like to share with your doctor about your symptoms, treatment, treatment period, etc., consult with him/her. If you want a detailed examination, you can ask your doctor for a referral to a larger hospital (for a fee).症状や治療方法、治 療期間等について伝えたい・聞きたい内容があれば、医師に相談しましょう。詳細な検査を希望する場合、大きな病院への紹 介状を医師に依頼することもできます(有料)。

<Confirmation of fees>Fees are rarely explained before treatment. If you are concerned, ask for a rough estimate in advance. Be aware that in many cases you will have to pay the full amount if you do not have Japanese insurance.料金は治療の前に説明されることは少ないです。気になる方は事前に目安を聞きま しょう。特に日本の保険を持っていない場合は全額負担となるケースが多いので、注意しましょう。

< Medicine > Check with your doctor about your medications. Prescription drugs may be given to you at the clinic or you may take your prescription to any pharmacy (usually stop by a pharmacy near the clinic) to purchase them. Check with the receptionist.医師に薬の内容を確認しましょう。処方薬は病院で渡 される場合と、任意の薬局(病院の近くの薬局に立ち寄るのが一般的)に処方箋を持って購入する場合があります。受付で 確認しましょう。

< Payment>The fee is generally paid in cash. Also, keep your receipts safe. You will likely need them if you are an overseas insurance user and need to submit them after returning to your home country, or if you are likely to apply for high-cost medical care.お会計は現金が一般的です。また領収書は、 大切に保管しましょう。海外保険利用者で帰国後の提出が必要な場合や、高額療養の申請をする可能性がある場合に必要 になる可能性が高いです。 7
