
FIRE, ACCIDENT, CONTAMINATION, Medical EMERGENCIES

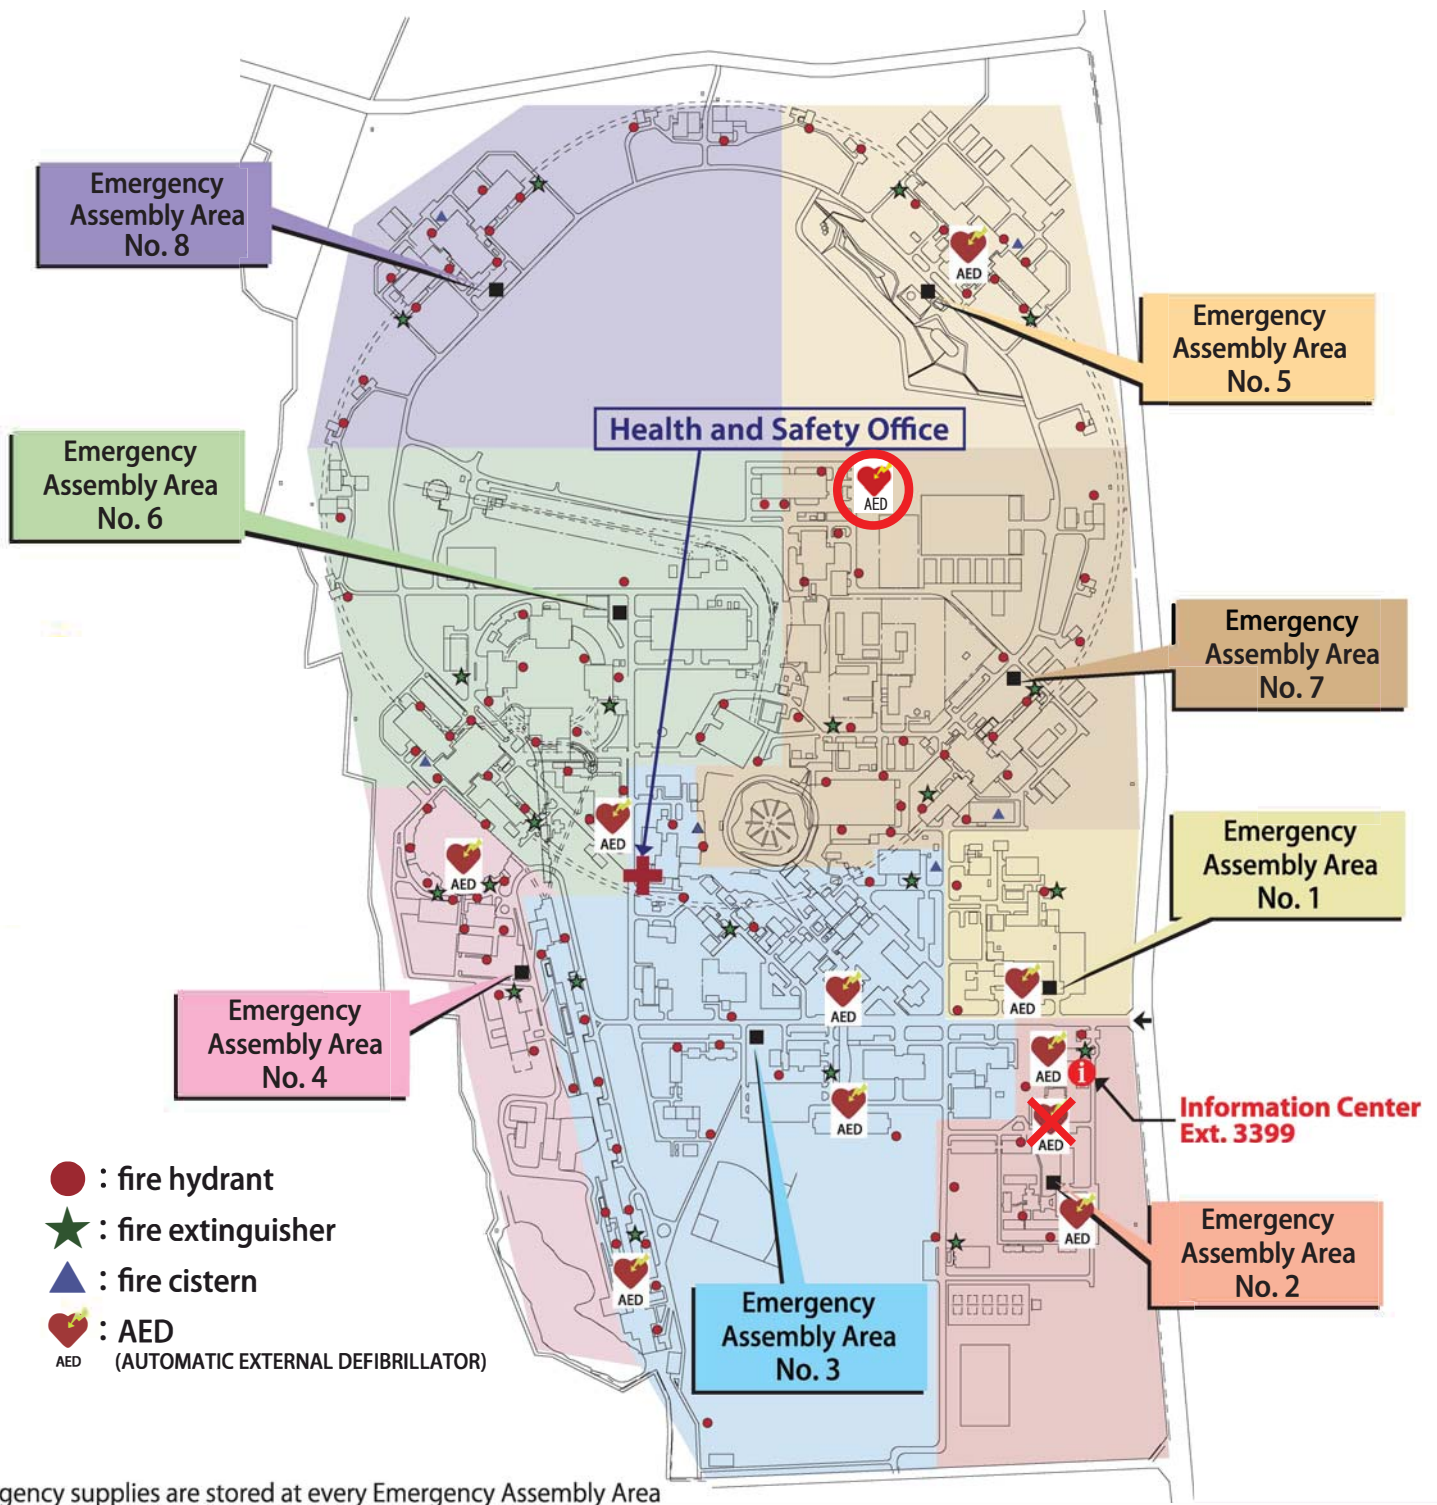

CALL the **Information Center**
ext. 3399 24h / 7d
at the KEK entrance gate
Mobile telephone **+81 (0) 29 864 5572**

*Know where to find the **Emergency Stop** of your facility.*
*Know where to find the nearest **Fire Extinguisher**.*
*Know where to evacuate **Emergency Assembly Area**.*

If you witness an accident or dangerous occurrence
(fire, flood, earthquake, medical emergency, etc.),
you must immediately:

1. Protect the victim, the people in the vicinity and yourself
2. Alert the KEK **Information Center (3399)** telling
 - Where you are. (Give your Location # on the map.)
 - What is happening **F**-Fire, **I**-(Injury) , **A**-(Accident)
 - Who you are.
3. Help the victim (injured persons must never be moved without good reason). AED's are available in the public buildings shown on the map.

*)In case of non-emergency care, please contact
Health and Safety office (9:00-17:00, ext.5600)
at the center of the map.

※emergency supplies are stored at every Emergency Assembly Area
