

Letter of Agreement

To: Director of Institute of Materials Structure Science
High Energy Accelerator Research Organization

Date: _____

Responsible person in the experiment

Affiliation:

Position:

Signature:

(Print):

Telephone No:

Facsimile No:

On the occasion of initiation of the following experiment at KEK, I promise to keep the organization's rules and regulations, and follow the instruction of the Director General of KEK for the purpose of supervision and safety of the facility and also personal.

Also, when it is judged by KEK there is danger of a serious accident caused by breaking of the instructions or rules, I have no objection to receive the order of suspension of the experiment (including of radiation works).

Furthermore, I declare that the postgraduate students have been admitted into the accident insurance program by the Naigai Student Center or same sort of Insurance Company.

Note

Registration Group: Collaboration Experiment, Collaboration R&D,
Large Simulation Research
